**TAKE IT EASY ON THE 4TH**

With the warning that holiday motorists will jam the nation's highways as never before during the holiday weekend celebration this year, the National Safety Council appealed to motorists and pedestrians to "Take it Easy on the Fourth—Be Alive on the Fifth!" as the keynote of a nationwide campaign against holiday accidents that threaten a record-breaking death toll over the Independence Day celebration.

**NEW DWELLING**

W. P. Steyer, 3547 Garnett street, is building a new dwelling at a cost of \$5500, according to city building permits.

### Presbyterian Children Will Sing Sunday

Next Sunday is Children's Day at the Community Presbyterian church, 21514 245th street. After Sunday school at 9:45 a.m. there will be a service of recognition for all classes and promotional certificates will be given to all who have reached the age of four.

"Sharing the Truth" will be the theme of the morning worship service at 11 a.m. The children's choir will sing "A Norwegian Child's Prayer," directed by Mrs. Vivian Rivard. Sunday school teachers and classes will be recognized at the morning service; children also will be baptized. Rev. Theodore Parker Smith of Rodeo, Calif., will be the pulpit guest. All parents are invited to attend with their children.

The evening service will be omitted this Sunday evening so that the congregation can meet with the Synod of California at the First Presbyterian church, Sixth and Locust streets, Long Beach.

### Factory Jobs Fewer in May State Reports

Factory employment in California manufacturing industries decreased by approximately 2700 production workers between April and May, Paul Scharrenberg, director of industrial relations, announced today. Labor disputes, reductions in shipbuilding and apparel, and material shortages were primarily responsible for the loss.

The factory force in non-durable goods industries, however, increased by more than 1000 production workers in May, reflecting seasonal gains in fish canning and beet sugar. Employment in the non-durable goods division this May is almost 8000 above the year-ago level of 190,500.

With the exception of a seasonal rise in the lumber industry, every industry group in the durable goods division lost production workers in May. The sharpest contractions were registered in shipbuilding, automobiles, iron and steel, and aircraft.

**\$25,000 STORE BUILDING**

Erection of a \$25,000 store building at 4034 Pacific Coast highway is under way for G. A. Bauman.

### Other Classes to Be Offered

The University of California, in cooperation with the Long Beach Unified School District adult program is offering for the first time this summer, courses in upper division Ceramics, Landscape Painting, Metal Craft-Jewelry, and Design For Advertising.

Classes will be held at Long Beach City college campus, Lakewood, and will start July 6. Each course will allow two units of University credit and

Despite the presence at Hollywood Park's current race meeting of many eastern equine stars, California-bred horses have a slight edge over all the combined opposition in getting into the winner's circle, according to figures compiled yesterday. Out of 160 races during the first four weeks of Hollywood racing, the home-breds have won 81.

are designed for those who can pursue the work with profit.

Students may enroll at 729 East Third street, Long Beach, or at the first or second meeting of the class.

**LOCAL HORSES HOLD EDGE**

**Won't Be Known Until in August**

It may be next August before Los Angeles County taxpayers will know what the county budget for 1948-49 is to be, or what the tax rate is to be, according to the office of the County Manager, Wayne R. Allen.

"Somewhere around \$123,000,000" was the guess of Smith Griswold, Allen's budget assistant, who said that the new budget has been compiled, but that he still is trying to compute the total.

Neither he nor anyone else is willing even to guess at the tax rate.
